Dear Mr. Abner:

EPA is in receipt of your letter dated July 14, 2008, requesting an additional extension of time for response to EPA's letter dated January 18, 2008, regarding First Request for Information; Portland Harbor Superfund Site, Portland, Oregon, for Ashland, Inc. Based upon the circumstances you presented, EPA believes that your extension request is reasonable and has extended the due date for your response to this first Information Request as follows:

- December 1, 2008, for property located at 2308 North Clark Street, which is the first work day following the date requested.

Failure to respond fully and truthfully to the Information Request by the due date provided in this letter may result in an enforcement action by EPA. Under Section 104(e)(5)(B) of CERCLA, 42 U.S.C. § 9604(e)(5)(B), pursuant to the Federal Civil Penalties Inflation Adjustment Act of 1990, 28 U.S.C. § 2461, as amended by the Debt Collection Improvement Act of 1995, 31 U.S.C. § 3701, EPA is authorized to commence an action to assess civil penalties of not more than \$32,500 per day for each day of noncompliance against any person who unreasonably fails to comply with an Information Request.

Please note that responses which are incomplete, ambiguous or evasive may be treated as non-compliant with this Information Request. Also be further advised that provision of false, fictitious or fraudulent statements or representations may subject you to criminal penalties under 18 U.S.C. § 1001. You have an ongoing duty under this first Information Request to supplement your response with any additional information or documents that become available or known to you after you submit your response.
